

MEET ME IN PARIS

Maison fondée 2023

Mon Chéri,

It is about time that we finally meet. Gosh, I have been out all afternoon, restaurant hopping and hand-picking only the tastiest treats that Paris has to offer. I can't wait for you to try my favourite guilty pleasures. Only at Meet Me In Paris can you find such glamour, flavour and delight.

Step away from the deary humdrum of everyday life my darling, and into our extravagant world here at Meet Me In Paris; a space sprinkled with storytelling- with every aspect of our interior design curated to provoke, inspire, and always to surprise. A Parisian fare that is as playful as it is fabulous.

All my love,

Mishal Khan
